

**Wisconsin
Cancer
Collaborative**
REDUCING THE BURDEN TOGETHER

COVID-19, Cancer Screenings, Care, and the Impacts on our Tribal Communities:

A special webinar featuring Share the Care

September 9, 2021

Before we get started...

The **Wisconsin Cancer Collaborative** is a statewide coalition of over **140 organizations** working together to reduce the burden of cancer **for everyone** in Wisconsin.

We connect our members with the **tools**, **support**, and **knowledge** they need to create healthier communities.

Cancer Health Disparities Initiative

The Cancer Health Disparities Initiative, in the UW Carbone Cancer Center, works with communities, researchers, individuals, and clinicians to improve the health of everyone who faces greater cancer risk.

Through life changing partnerships and alliances, CHDI aims to educate and advocate for those living with cancer while aiming to break down barriers that may inhibit cancer research and care.
