Henry Ford Hospital

Accreditation & Credit Designation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Weill Cornell Medical College and MD Anderson Cancer Center at Cooper. Weill Cornell Medical College is accredited by the ACCME to provide continuing medical education for physicians.

Weill Cornell Medical College designates this live activity for a maximum of **7.5 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Evaluation

An evaluation form will be emailed to you upon completion of the course. In order to receive CME credit, you must complete the online evaluation form by November 1st, 2021. You should claim only the credit commensurate with the extent of your participation. Completion of the Evaluation form will allow us to assess the degree to which the activity met its objectives. It will also guide the planning of future activities and inform decisions about improving the educational program.

Disclosure Policy

It is the policy of Weill Cornell Medical College to adhere to ACCME Criteria, Policies, and Standards for Commercial Support and content validation in order to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored activities. All speakers, Course Directors, Co-Course Directors, planners, reviewers, and staff members participating in sponsored activities are expected to disclose relevant financial relationships pertaining to their contribution to the activity. Relationship information is analyzed to determine whether conflicts of interest exist. All conflicts of interest are resolved prior to participation in the planning or implementation of this activity. Presenters and authors are also expected to disclose any discussion of (1) offlabel or investigational uses of FDA approved commercial products or devices or (2) products or devices not yet approved in the United States. All disclosures will be made at the time of this CME activity.
