

Sample Social Media posts – Lung Cancer Awareness Month 2021

Facebook/Twitter post	Image/video
<p>Did you know radon can cause lung cancer and 1 in 10 Wisconsin homes has high radon levels? You can't see it, you can't smell it, but you can protect yourself from it. Test your home today by calling your nearest <a href="#">Radon Information Center</a> for a test kit, or visit <a href="http://lowradon.org">lowradon.org</a> to learn more. #StopRadon</p>	<p>Video: Radon: Testing is key <a href="https://www.youtube.com/watch?v=knogfq-0CcA">https://www.youtube.com/watch?v=knogfq-0CcA</a></p>
<p>Radon is a natural gas that comes from the ground. If your house is near an area with radon, it can enter your home through tiny cracks in your basement floor. Pick up a radon test kit to learn about the radon level in your home! <a href="https://www.dhs.wisconsin.gov/radon/radon-results.htm">https://www.dhs.wisconsin.gov/radon/radon-results.htm</a> #StopRadon</p>	
<p>Take action to protect your family! Radon causes 21,000 lung cancer deaths each year and is present across Wisconsin. Check out our list of contractors certified for measuring and reducing radon: <a href="https://www.dhs.wisconsin.gov/radon/radon-proficiency.htm">https://www.dhs.wisconsin.gov/radon/radon-proficiency.htm</a> #StopRadon</p>	<p>Video – Radon: Take action for a healthy home <a href="https://www.youtube.com/watch?v=Eku0Cc20hGE">https://www.youtube.com/watch?v=Eku0Cc20hGE</a></p>
<p>Testing your home for radon is easy! Reach out to your local Wisconsin Radon Information Center to learn more. #StopRadon <a href="https://www.dhs.wisconsin.gov/radon/infocenters.htm">https://www.dhs.wisconsin.gov/radon/infocenters.htm</a></p>	<p>Video- Radon: How to test your home. <a href="https://www.youtube.com/watch?v=0PO6E81CP8U">https://www.youtube.com/watch?v=0PO6E81CP8U</a></p>
<p>A radon mitigation system can lower the radon level in your home if it is over 4 pCi/L. Learn more about lowering your home's radon levels: <a href="https://www.dhs.wisconsin.gov/radon/reduce-radon.htm">https://www.dhs.wisconsin.gov/radon/reduce-radon.htm</a> #StopRadon</p>	
<p>Your risk of lung cancer is 10 times higher if you smoke and have high radon levels in your home! Test your home for radon and make a plan to stop smoking. #StopRadon <a href="https://www.dhs.wisconsin.gov/radon/health.htm">https://www.dhs.wisconsin.gov/radon/health.htm</a></p>
